Christmas Raffle.

Dear Parents/Carer,

As you know, due to the current situation, we are unable to offer some of our usual Christmas activities. However we have come up with the idea of doing a Christmas raffle for you but in a slightly different way. This year we will run the raffle as follows:

- If you would like to take part, tickets are £1 each.
- Send your child/children into school with the money for your ticket/tickets
- Your child/children will need to give the money to their class teacher who will then pass it on to the office staff who will then allocate you a random number(s) for you and add it to our spreadsheet.
- The office or the class teacher will contact you via dojo with the numbers you have been allocated.
- Once all numbers have been chosen we will then use a random number generator to announce the winning numbers.
- The closing date for purchasing tickets will be Wednesday 16th December and the date of the draw will be Thursday 17th December

If your number/numbers are chosen you will be contacted and we will arrange for either your child to bring the prize home or a convenient time for you to collect it.

We have approached local stores this year to ask for donations towards our raffle. We have had some response but not as much as we would have hoped for. We would be very grateful if you could donate a prize, small or large to help make this year's raffle a real success.

If you would like to donate a prize, these will need to be given to your child's/children's class teacher at the start or end of the school day and will need to be in by Friday 11th December.

Thank you very much for your continued support.

Mr L Ferriday
